

YOUR TWO-YEAR WORKMANSHIP WARRANTY FROM TRANSFORM

Our commitment to you doesn't end when the design and renovation work is completed.

We make all efforts to ensure that additional work will not be necessary once we complete your project but you have the added protection of our **two-year written warranty**:

Transform warrants that all workmanship in the contract will be free from defects for a period of two years after the completion of the contract, provided that its work is cared for and used in a reasonable manner.

Any repairs or replacements with respect to Transform's work after the expiration of our two-year warranty will be at the expense of the customer.

Additional manufacturer warranties may apply to certain construction materials.
